

Dan Dica, new Lynx CEO

We are pleased to announce **Dan Dica** has been appointed the new **CEO of Lynx**. Lynx is a software company that specializes in AI-based fraud and financial crime prevention solutions.

Dan will oversee Lynx's businesses to take them to new heights growth and global success, turning Lynx into a global leader in AI for fraud and financial crime prevention. He will primarily focus on revenue growth, international expansion, product innovation, and customer experience.

Dan has an outstanding track record in building successful software companies, profound industry knowledge and the transformative leadership skills Lynx needs. He is well-versed in international business, having spent over 15 years at **Onespan** Inc., (Nasdaq:OSPN), a cybersecurity leader specializing in authentication, mobile security, fraud monitoring, and secure digital agreements, where he played a key role in a major transformation programme to reach the top of SaaS market. In particular, Dan designed the Global GTM Strategy and built up the customer-facing operations across five regions, serving customers in over 100 countries.

Please join us in welcoming Dan. We look forward to working with him to leverage our deep AI knowledge to support our customers worldwide and make a profound difference in the fight against fraud and financial crime.

Daniel Barriuso

Chairman of the Lynx Board

"I would like to express my gratitude to the entire team and the board for entrusting me with this important mission. As I embark on this journey, I am humbled and privileged to work alongside an extraordinary team of talented professionals who have established Lynx as a trailblazer in the industry. Together, we will continue to build upon our AI deep knowledge, supporting our customers across the globe and seek to making a profound impact in combating fraud and financial crime. I am very confident that, as a united team with a common goal, we will make Lynx a trusted brand and a global leader in the industry."

Dan Dica
Lynx Chief Executive Officer
